

# True Worship

Week 2: Hijacked Worship

April 3, 2022

Pastor Ben Bufkin

## 1. Worship has been reduced to 3 songs and 20 minutes

*Romans 12:1-2, Romans 3:23, Romans 6:23, Romans 10:9-10, 1 Corinthians 6:19-20*

Present your body as a living sacrifice

- In my marriage
- In my relationship with my children
- Spending quality time with my children
- In my singleness
- On the job
- In school
- During competition
- With my finances
- What I watch or listen to
- The way I think and talk
- How I treat people
- Choosing to trust God instead of fear
- Faith and perseverance through trial

An entire life lived for the worship and glory of God is much more impactful than relegating our worship to our Sunday morning songs.

## 2. Worship has been turned into something we experience instead of what we offer

*Hebrews 13:15-16, Genesis 4:3-5*

If what we do on Sunday's is meant to be an experience, then man becomes the center not God

The worship of God is not a business!

Worshipping on Sunday morning with fellow believers moves from something we offer to the Lord, to something we consume for our own pleasure

## 3. Worship has been separated from its Biblical foundation

*Colossians 3:16-17, Acts 16:22-25*

The songs we sing should admonish with and teach the truths of God's Word

"Teaching and admonishing one another"
