

John 8:12, John 1:1-3, Revelation 21:22-25, Exodus 13:21, John 8:12

Main Point: Jesus is the light of the world and following Him changes everything

And God said, “Let there be light,” and there was light.

Until God gives me the roll call of the Elect, I shall continue preaching the “Whosoever Will” Gospel. That is the Gospel we are to preach today. - Charles Spurgeon

What happens when you follow Jesus?

1. Following Jesus turns on the light

John 8:12, Ephesians 2:1-2, Isaiah 9:2, Isaiah 59:8-10

Following Jesus should change everything about how you see everything

2. Following Jesus looks like discipleship and sanctification

John 8:12, 1 John 1:5-8, Philippians 1:6

There are no fruitless Christians. We are all at different levels of spiritual maturity but wherever we are in our discipleship journey with Christ there will be fruit on the branches of our life

3. Following Jesus will set a life on fire

John 8:12, Matthew 5:14-16

“But will have the light of life”

Whoever follows me will not walk in darkness, but will have the light of life.”
